HOBBIES

Reading scientific journals
Automotive maintenance

HASSAN GASSOUR HASSAN

PHD TEACHING STAFF

EDUCATION

Al Menia University

2018 - 2024

[PHD in mechanical engineering department material and design section

Helwan University

2013 - 2017

Attained a master's degree of science in mechanical engineering - combustion section

AUC

2008 - 2010

Registered for master's degree of engineering in mechanical engineering -Industrial engineering section

HTI

1995 - 2000

Attained a bachelor's degree in mechanical engineering -power section

WORK EXPERIENCE

HTI- Teaching- 2024-now Mechanical Vibration Analysis- Automatic Control

HTI Teaching Assistant

2001 - 2024

Assisted in teaching the following subject [Automatic Control - Thermodynamics - Fluid Mechanics - system design - Combustion systems - Eng. Drawing -production tech Quality -cont.-system design]
Supervised several summer trainings courses for students

SKILLS

Well trained to deal with undergraduate students as well as graduate
Able to lead learning discussions in scientific subjects related to the major
Good background dealing with autocad, mat-Lab, Ms-office, teams
